LT. GOVERNOR

August 31, 2017

Dear Friends:

I am pleased to recognize September 2017 as “We Card Awareness Month” in the state of Montana.

I commend your efforts to raise awareness and promote effective education and training that further prevents tobacco and alcohol sales to minors. We Card provides training and education for the retail community, helping retailers comply with federal, state and local age-restricted product laws and allowing retailers to continue serving their communities. Montana families benefit from a responsible retail community that successfully prevents tobacco and alcohol products being sold to minors.

I appreciate the hard work of *We Card Program Inc.* to keep our communities safe and I encourage all Montanans to recognize September 2017 as “We Card Awareness Month.”

Sincerely,
