We Card Awareness Month

September 2021

Texans understand that the future of our great state lies in the hands of our next generation. That is why we have set age restrictions on the sale of certain products, including vaping products, tobacco, and alcohol, in an effort to protect the health and safety of our young Texans.

Each year during the month of September, We Card Awareness Month serves as a time for Texas retailers to increase their awareness of and participation in responsible retailing practices that comply with federal, state, and local laws. By working to identify, prevent, and deny the sale of vaping products, tobacco, alcohol and other age-restricted products to Texans who are underage, we will continue to ensure our youth remain healthy and safe as they develop into the future leaders of our state and nation.

First Lady Cecilia Abbott joins me in wishing you the best.

In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin, this the 22nd day of September, 2021.

Greg Abbott
Governor of Texas
